FLUORODIP BIOACTIVE

VARNISH FOR DESENSITIZING & RE-MINERALIZATION

PREVESTDenPro®
THE FUTURE OF DENTISTRY

Product Description : FluoroDip Bioactive is a sodium fluoride containing dental desensitizing varnish fortified with bio-glass for enhanced remineralization of enamel and dentine. FluoroDip Bioactive is an alcoholic suspension of sodium fluoride and bio-glass in natural shellac with artificial flavoring. It contains 5% NaF equivalent to 2.26% of Fluoride (22600ppm).

Composition : Sodium Fluoride, Bio-glass, Rosin Gum, Ethyl Alcohol, Spearmint Oil.

Intended Purpose / Intended Use : It is used in desensitizing and re-mineralization of enamel and dentine.

Indications for Use:

♦ Desensitizing and Re-mineralization of enamel and dentine.

Instructions for Use :

♦ FluoroDip Bioactive Varnish is presented in dropper bottle. Shake the bottle well before use.

♦ Thoroughly clean tartar from treatment area and dry the area with cotton pellets.

♦ Uniformly apply FluoroDip Bioactive varnish with the microbrush as a thin film covering the entire area under treatment. Gently air dry the varnish for 10 to 20 sec and slightly moisture the area of application to ensure proper setting of the varnish.

♦ The patient should be advised not to brush for a minimum 4 to 6 hours after the treatment.

Warnings : FluoroDip Bioactive composition is highly flammable. Handle with care and keep away from open flames.

Precautions :

♦ Avoid use of this product in patients with known allergies.

♦ Avoid brushing of teeth for at least four hours after the application.

♦ Use protective gloves when using the product.

Contra-indications : This product is contra-indicated for use in or by individuals who have shown hypersensitivity to fluoride and colophony.

Storage Conditions : Store at temperature between 10°C(50°F) to 24°C(75°F). Close the cap carefully after use. Keep away from moisture. Shelf life not affected after opening if stored in a cool dry place.

Shelf Life : 3 years from the date of manufacturing.

Presentation :

Ref : 80001

1 x 10ml Dropper Bottle (Spearmint Flavour)

Disposal conditions : To be disposed off based on the prevailing rules of the country in which it is used.
