PREVESTDenPro®
THE FUTURE OF DENTISTRY

Surface Disinfectant Spray for Medical Devices

Product Description : ViroGuard is a ready to use fast acting and broad spectrum spray for quick cleaning and disinfecting of medical devices and surfaces after each session in medical and dental offices & clinics. It is specially designed to avoid cross contamination in between patients.

Composition :

N-(3-aminopropyl)-N-dodecylpropano-1, 3-Diamine, Didecyl-dimethyl Ammonium Chloride, 2-Butoxyethanol Surfactant ,IPA, pH modifier and water.

Intended Purpose/Intended Use: It is intended to be used as surface spray for cleaning, decontaminating and disinfecting medical device and surfaces.

Indications for use:

It is used for cleaning , decontaminating and disinfecting surfaces (such as trolleys, beds, chairs, trays, work benches, examination tables, dental units, handles, spittoons, other non invasive equipments and instruments) in direct contact with patients and medical personnel.

Instructions for Use : Spray directly on the surfaces and objects to be disinfected and leave the surfaces wet for 30 sec for effective disinfection and wipe with the clean lint free disposable cloth. (Note: Do not rinse).

Warnings : Harmful if swallowed. Causes severe skin burns and eye damage.

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.

IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water/shower.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and continue rinsing. Get medical advice/attention if you feel unwell

Precautions :

- ♦ Advised for use on surfaces of medical devices by professionals only.
- ♦ Wear personal protective equipment such as gloves, masks, goggles for protection. Wash your hands after handling.
- ♦ Do not mix with any other disinfectants.

Contraindications : Avoid heat

Storage Conditions : Store at temperature between 10°C(50°F) to 24°C(75°F). Keep away from moisture and heat. Close the cap carefully after use. The shelf life of the product is valid only if left unopened and correctly stored in a cool dry place.

Shelf life : 3 years from the date of manufacturing.
