Prevest Denpro Limited Launches "Oradox" - Advanced Oral Hygiene Products

Prevest Denpro Limited, a leading dental materials manufacturing company, is thrilled to announce the launch of their latest oral care product line, "Oradox." This cutting-edge oral care brand offers a wide range of innovative oral hygiene products that are gentle but highly effective and developed through intense research and development using innovative and proven ingredients.

Oradox range of oral care products caters to diverse needs of oral hygiene. This comprehensive collection includes Mouthwash Tablets, Oral Rinses and Cleansers for various dental prosthetics to aid in maintaining oral hygiene.

What sets Oradox apart is its innovative formulations both in its development and application by consumers. The brand's dedication to intense research and development ensures that each product delivers exceptional performance and reliability.

The Oradox brand was formally launched by Shri Vishnu Raju, Chairman Sri Vishnu Educational Society, Andhra Pradesh, and the products were unveiled jointly by Shri Vishnu Raju and Shri Atul Modi in the presence of a large august gathering.

"We are excited to introduce Oradox to our shareholders and the oral care market," said Shri Atul Modi, CMD of Prevest Denpro Limited. "With this new product line, we aim to redefine oral hygiene care by offering innovative and effective solutions that cater to various needs. We believe Oradox will revolutionize the way people approach their oral health and help to reduce the prevalence of oral diseases."

Shri Vishnu Raju, Chairman Sri Vishnu Educational Society praised the efforts of Prevest Team to come out with new innovative products for oral hygiene and praised the state-of-the-art research centre and manufacturing facilities set up by Prevest DenPro Limited at its Jammu factory .
