Sub: Clarification on Business Operations Amidst Recent Geopolitical Developments

In reference to the recent developments concerning the geopolitical situation between India and Pakistan, we would like to clarify that there has been no disruption to the operations of **Prevest Denpro Limited**.

All functions, including manufacturing, research and development, logistics, and exports, are continuing as per normal schedules. The Company remains fully operational, and there has been no adverse impact on our day-to-day working.

We continue to monitor the situation closely and would like to assure our stakeholders that appropriate measures are in place to ensure business continuity. As of now, there are no concerns affecting our operations, and everything is functioning smoothly.

You are requested to kindly take the above information on record and disseminate the same appropriately.

For and on behalf of
Prevest Denpro Limited

Aman Sadhotra
Company Secretary & Compliance Officer
